PBD-02-000 NEW RULES & REGULATIONS

2020-2021

NEW RULES & REGULATIONS

All Cargo Vessels

MARITIME CYBER RISK MANAGEMENT International Safety Management (ISM) Code Entry into force: 01 January 2021

The Maritime Safety Committee, at its 98th session in June 2017, also adopted Resolution MSC.428(98) - Maritime Cyber Risk Management in Safety Management Systems.

Officers onboard must ensure that cyber risks are appropriately addressed in existing safety management systems (as defined in the ISM Code) no later than the first annual verification of the company's Document of Compliance after 01 January 2021.

NEW RULES & REGULATIONS

All Cargo Vessels

Nox Technical Code

Regulation 1.3

Entry into force: 01 October 2020

1. Electronic Record Books (eRB) as an alternative method to hard copy record books approved by the Administration in accordance with Guidelines, Res. MEPC.312(74) is accepted. This applies to the Record Book of Engine Parameters (Nox Technical Code).

NEW RULES & REGULATIONS

All Cargo Vessels

MARPOL

Annex I, II, IV and V

Entry into force: 01 October 2020

1. Electronic Record Books (eRB) as an alternative method to hard copy record books approved by the Administration in accordance with Guidelines, Res. MEPC.312(74) is accepted. This applies to the MARPOL record books

NEW RULES & REGULATIONS

All Cargo Vessels

Ballast water
management:
How it impacts you.

DCO
I

BWMS Code (Ballast Water Management System)

A-1 (New para. 8) & D-3

Installations on or after 28 October 2020

1. Ballast water management systems installed on or after 28 October 2020 shall be in compliance with the BWMS Code (Res. MEPC.300(72)). A unified interpretation of Appendix I clarifies that the “installed” means the contractual date of delivery of the ballast water management system. In absence of this date, actual date of delivery may be used.

NEW RULES & REGULATIONS :

All Cargo Vessels
